FÖÖNI OPEN 2022

25-27th march 2022 at Helsinki, FINLAND

Indoor skydiving competition – Open Finnish Championships and Nordic championships

(Finnish Nationals authorized by and in co-operation with Suomen Ilmailuliitto – National Aeroclub of Finland)

Disciplines:

Formation Skydiving 4-way A, AA, AAA(Open)

VFS 4way open, VFS 2way intermediate

Dynamic 2way open, Dynamic lines, Dynamic 4way open

Nordic championships:

To our knowledge Nordic ISC delegates have been discussing this topic earlier. To our knowledge no one has claimed nor it has been scheduled yet for 2022 and therefore we volunteer to organize the Nordic Indoor Skydiving Championships- let's start a tradition of a yearly Nordic event!

The Finnish NAC has authorized Fööni to organize the official open Finnish indoor skydiving championships in 2022. Finnish NAC agrees that there is no obstacle to holding the Nordic Championships simultaneously.

Nordic is not an official FAI Category for competitions so it will be unofficial Nordic Championships.

We kindly ask to be informed if any Nordic NAC has already authorized indoor skydiving Nordic Championships 2022 to their country and also if you want to claim this this year instead of Fööni.

Please forward this to correct person in your NAC if you are not the one to be informed.

We will be sending official competition invitation in December.
